Kundaim Industrial Estate,  
Kundaim,  
**PONDA – GOA – 403 115.**

Dear Sir,

We appreciate the efforts taken by your Engineers along with maintenance team, to sort out various problems which were encountered on our Volvo fleet of machines.

It is pertinent to note that with our mutual co-operation, we could maintain a satisfactory level of availability.

We expect the same trend to continue in future.

Thanking you,

Yours faithfully
